The 2025 season has kicked off to a Phoen-onmenal start!

Dear Phoenix family!

After a little bit of a wet start to the season, it's been a joy to see our players on court doing what they love. Whether you're new or returning, thank you for being part of our amazing community.

Phoenix is more than a club, it's where young athletes grow, friendships form, and sport brings people together. With over 400 members across 33 teams, we're proud to be one of North Queensland's largest and most inclusive clubs.

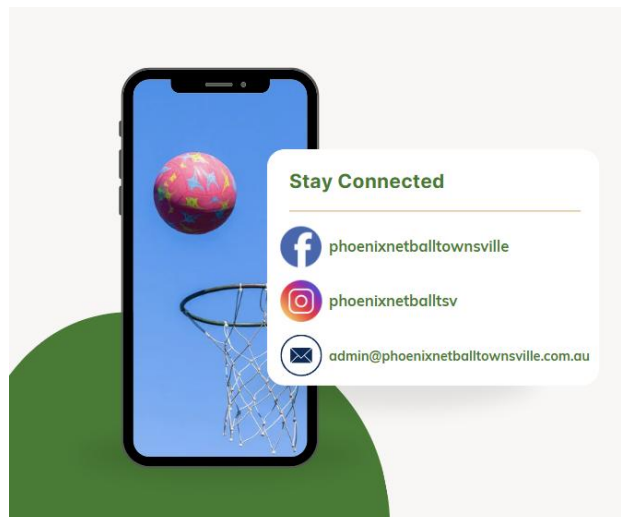

This year, we remain focused on developing confident players, building pathways for growth, and fostering a culture of teamwork, inclusion, and respect. From BBQs to regional carnivals, we're proud to represent Townsville with heart.

A big thank you to our committee, coaches, umpires, and supporters. Your time, energy and encouragement keep us going. And to those who help and volunteer day in and day out, each week, your efforts make a real difference.

This is just one of the ways we'll stay connected this season.

Don't forget to follow us on Facebook and Instagram for updates, photos, and more!

Our 2025 Sponsors – Our Local Legends

Behind every great club is a team of supporters and we're thrilled to introduce our valued 2025 sponsors who help keep Phoenix strong.

We're proud to recognise our valued 2025 sponsors, the businesses and partners who help keep Phoenix Netball Club not just on court but thriving.

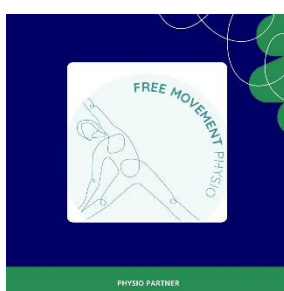

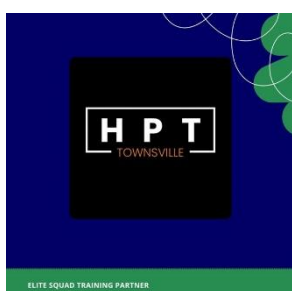

From supporting team uniforms and training programs to helping cover competition costs and community events, these generous contributions play a vital role in keeping our club running smoothly.

Phoenix is more than just a netball club, it's a place where young athletes develop confidence, friendships, and a love for the game. None of that would be possible without the backing of our sponsors, whose support ensures we can continue to grow, compete, and offer opportunities for players, coaches, and umpires at every level.

Let's support the businesses who support us. They're the reason we're able to grow, train, and thrive.

PACE

PRIVATE WEALTH

Our aim is to work with you as your Money Coach throughout your wealth creation years and your Money Manager when you retire.

Managing your wealth, in line with your goals and objectives, relies on selecting the right investment strategies that can be practically implemented and maintained. Pace Private Wealth has expert advisers that will consider a broad range of investment options against your wealth aspirations and preferences. When determining which investment strategies are best for you, we design solutions that deliver on:

- Capital preservation
- Wealth creation
- Cashflow optimisation
- Debt management
- Income requirements
- Tax effectiveness

At Pace Private Wealth, we place our clients first. We recognise our clients as individuals who will have specific investment needs and that there is no "one size fits all" investment solution. Our advice is supported by a robust investment framework and access to the best available industry research. We analyse the wide investment universe to handpick 'best of breed' opportunities.

We know that a sharp and considered focus on your superannuation today will pay dividends when you need it most.

After a productive and rewarding working life, don't risk downgrading your lifestyle or plans when you retire. In fact, superannuation is likely to become one of your largest assets – so we make sure it is professionally and actively managed now to position you for your best financial future.

Let's build your future together.

Club Culture Spotlight

Our Phoenix Values

At Phoenix, our strength lies in what we stand for:

Passion – We play with heart

Respect – For teammates, coaches, umpires, and community

Commitment – We show up, work hard, and lift each other

Pride – In our club, our culture, and our colours

Charlotte Clive: From Phoenix Junior to Premier League Powerhouse

Charlotte Clive is the kind of player every club dreams of.

A proud Phoenix junior, Charlotte has risen through the ranks to become a standout in our Premier League team, and she's just getting started.

Equally at home in defence or attack, Charlotte brings versatility, composure and strength to every game. Whether she's controlling the tempo through the centre court or shutting down play as a fierce GD, she's a force to be reckoned with.

Her talent has earned her representative honours as a North Queensland Schoolgirls player and selection in the 2025 North Queensland United Opens Ruby North team. These achievements are a testament to her skill, work ethic and talent.

What truly sets Charlotte apart is the way she carries herself off the court. She's a role model to our younger players – always encouraging, humble and team-first.

Want to see Charlotte in action? Catch her on Monday nights in the Premier League, or cheer her on at the upcoming NQU Townsville Cluster Weekend on 21 and 22 June, where she'll hit the court with North Queensland United Opens Ruby North team.

Tickets are on sale now through: <https://nqunetball.com.au/Events/Cluster-Weekend>

Family, Freckles and Fierce Defence: A Phoenix Duo with Heart

For Renee and McKayla, netball is more than just a game, it's something they share.

This mother-daughter duo is proudly flying the Phoenix flag, with Renee vice-captain, a key player in our Division 1 team (*currently top of the ladder*) and an active member of the club committee. Meanwhile, McKayla is making her own mark as part of our Freckles junior team.

McKayla's love for the sport was sparked by watching her mum take the court. "She always loved being around the team and watching games," Renee says. "Now she's the one out there in the bib, chasing down every ball." Renee continues to bring her A-game on court and still finds time to give back off it, helping guide the club's growth and culture behind the scenes.

Both bring passion, pride, and a whole lot of heart to Phoenix. And for this tight-knit team of two, netball is about more than goals, it's about connection, confidence, and a club they're proud to call home.

State Age Pride:

Phoenix Shines on the Big Stage

We couldn't be prouder of our Phoenix players, coaches, and umpires who proudly represented Townsville at the 2025 State Age Championships!

Selection at this level is no small feat, it takes dedication, countless hours of training, and an unshakable love for the game. Our Phoenix crew stood tall, showcasing not just talent, but true club spirit.

To our athletes: You gave it everything and it showed.

To our coaches: Your leadership guided each step of the journey.

To our umpires: Thank you for upholding the game with professionalism and poise.

You've made both Townsville and Phoenix proud.

Building Strength, Speed and Confidence - HPT High Performance Program

Our senior squad wrapped up an intensive eight-week High Performance Program delivered by the team at HPT Townsville and the results are showing.

Designed to push our athletes beyond the court, the program focused on building speed, strength, endurance, agility, and team cohesion. From dynamic conditioning drills to strength-based sessions and mindset training, each week brought new challenges and our players rose to meet them.

Thanks to the expert coaching and support from HPT, our athletes are stepping into the season with renewed confidence, resilience, and a competitive edge. A huge thank you to HPT Townsville for partnering with Phoenix to develop strong, capable players ready to take their game to the next level.

Fresh Looks, Fast Starts - Uniform Update

It's been a massive start to the 2025 season, with over 250 uniform orders placed and most collected!

If you're still waiting on an order, please get in touch with the team so we can follow up. We also have limited stock available for purchase via Netball Connect, so jump in quick if you're still chasing something.

Just in time for those cooler evenings there are still hoodies available and are ready to keep you warm courtside.

And how good does our U18 League squad look? The team is turning heads in their sharp new warm-up tops proudly sponsored by Keyes & Co. Property.

Coach's Corner – Footwork Fundamentals

Strong footwork lays the foundation for every great performance. Whether you're driving into space, contesting a ball, or shutting down your opponent, your footwork shapes how effectively you move, react, and recover.

Focus on staying light, balanced, and controlled.

It's not just about being

fast, it's about being smart and stable. Good footwork helps you change direction quickly, land safely, and maintain momentum without losing control.

Train with intention. Move with purpose. The difference is in the detail.
